

PRIVATE LESSON ATTENDANCE POLICY

Updated Fall, 2018

Lowell Learns provides low cost private instrument instruction to our community. To ensure that our instructors time is being respected and effectively spent, the following private lesson attendance policy is in effect:

- Students need to inform instructors of any cancellations or lessons they will miss **in advance of the lesson.** *Please coordinate the best contact method (Cell, Text, E-mail, etc...) with your instructor*
- More than 2 no-show/no contact lessons will result in removal from the lesson schedule.
- Please sign the Permission, Contact & Media Release Form
